

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

County	District(s)		State Park or Recreation Area - Project Name	Project Description	Location_City or Township	Estimated Cost
	Senate	House				
Alcona	36	106	Harrisville State Park - Fishing Pier	Fishing pier replacement with accessible route	Harrisville	\$ 103,500
Alcona	36	106	Harrisville State Park - Playground	Universally accessible playground replacement	Harrisville	\$ 253,000
Alcona	36	106	Harrisville State Park - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Harrisville	\$ 86,250
Alcona	36	106	Harrisville State Park - Green Toilet / Shower Buildings	Harrisville SP - Removal and replacement of two toilet/shower buildings servicing the campground with (2) ADA, "green", LEED structures.	Harrisville	\$ 2,175,800
Alcona	36	106	Harrisville State Park - Trail Improvements	Internal US 23 Heritage Route & park connector	Harrisville	\$ 88,550
Alger	38	109	Laughing Whitefish Falls State Scenic Site - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed at entrance area	Marquette	\$ 287,500
Baraga	38	110	Baraga State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (4 lane miles)	Baraga	\$ 195,500
Baraga	38	110	Baraga State Park - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service.	Baraga	\$ 632,500
Baraga	38	110	Baraga State Park - Campground Registration Building	Replacement of campground contact/registration building (accessible) and vehicular circulation.	Baraga	\$ 356,500
Baraga	38	110	Baraga State Park - Green Toilet / Shower Building	Removal and replacement of the Campground toilet/shower building (1941) with ADA, "green", LEED structure and associated below ground utilities.	Baraga	\$ 1,384,600
Baraga	38	110	Baraga State Park - Sanitary System Improvements	Sanitation Station replacement	Baraga	\$ 189,750
Baraga	38	110	Baraga State Park - Sanitary System Improvements	Sewer line replacement	Baraga	\$ 460,000
Baraga	38	110	Craig Lake State Park - Bridge Replacement	Replacement of the Peshekee Bridge, which is part of the North County Trail, and provides access to hike in camping and two cabins.	Champion	\$ 189,750
Baraga	38	110	Craig Lake State Park - Road Improvements	Various surfacing, trailhead and signage improvements along the remote trail network.	Champion	\$ 161,000
Barry	24	87	Yankee Springs Recreation Area - Fishing Pier	Fishing pier replacement and accessible route	Middleville	\$ 103,500
Barry	24	87	Yankee Springs Recreation Area - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service.	Middleville	\$ 1,181,625
Barry	24	87	Yankee Springs Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (12 lane miles)	Middleville	\$ 575,000
Barry	24	87	Yankee Springs Recreation Area - Shop / Garage Building	Replacement of the shop/garage structure that was destroyed in a 2005 fire.	Middleville	\$ 442,750
Bay	31	96, 97	Bay City Recreation Area - Fishing Pier	Upgrade fishing pier at the Visitor Center lagoon	Bay City	\$ 23,000
Bay	31	96, 97	Bay City Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed at the day use area	Bay City	\$ 431,250
Bay	31	96, 97	Bay City Recreation Area - Wildlife Observation Towers	Bay City RA - Replacement of two observation tower with accessible ramped version along the Tobico Marsh.	Bay City	\$ 897,000
Bay	31	96, 97	Bay City Recreation Area - Boardwalk Repairs	Tobico Marsh boardwalk replacement	Bay City	\$ 23,000

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

Bay	31	96, 97	Bay City Recreation Area - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Bay City	\$ 86,250
Bay	31	96, 97	Bay City Recreation Area - Demolition	Pumphouse and spillway demolition on Fournier Property	Bay City	\$ 57,500
Bay	31	96, 97	Bay City Recreation Area - Trail Paving	Bay City RA - Repaving of the trail systems (accessible) within the Tobico Marsh	Bay City	\$ 488,750
Bay	31	96, 97	Bay City Recreation Area - Visitor Center Renovations	Floor Repair at the Visitor Center	Bay City	\$ 13,800
Berrien	21	78, 79	Warren Dunes State Park - Activities Pavilion	Education activities / program pavilion	Sawyer	\$ 34,500
Berrien	21	78, 79	Warren Dunes State Park - Bridge Replacement	Warren Dunes SP - Bridge / culvert replacement on primary road leading to swimming / beach area	Sawyer	\$ 920,000
Berrien	21	78, 79	Warren Dunes State Park - Green Toilet / Shower Building	Removal of four (4) existing restroom buildings that and concessions and the construction of one ADA, "green", LEED structure at the day use beach at Lake Michigan.	Sawyer	\$ 1,035,000
Berrien	21	78, 79	Warren Dunes State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (6 lane miles)	Sawyer	\$ 413,655
Charlevoix	37	105	Young State Park - Drinking Water System Improvements	Replacement of below ground water well and tanks to an above ground system (DEQ requirement).	Boyne City	\$ 425,500
Charlevoix	37	105	Young State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed within the campground	Boyne City	\$ 937,250
Cheyboygan	37	105, 107	Aloha State Park - Drinking Water System Improvements	Upgrade two campground wells and well houses (DEQ requirement).	Cheyboygan	\$ 442,750
Cheyboygan	37	105, 107	Aloha State Park - Green Toilet / Shower Building	Replacement of two (2) campground toilet/shower buildings with one (1) ADA, "green", LEED building servicing the associated campsites.	Cheyboygan	\$ 1,794,000
Cheyboygan	37	105, 107	Aloha State Park - Playground	Universally accessible replacement playground situated so it can be utilized by both the camping and day use visitors.	Cheyboygan	\$ 276,000
Cheyboygan	37	105, 107	Burt Lake State Park - Drinking Water System Improvements	Upgrade campground wells and well house (DEQ requirement) to an above ground system.	Indian River	\$ 261,625
Cheyboygan	37	105, 107	Burt Lake State Park - Green Toilet / Shower Building	Removal and replacement of the East Campground toilet/shower building (1957) with ADA, "green", LEED structure and associated below ground utilities.	Indian River	\$ 1,384,600
Cheyboygan	37	105, 107	Cheyboygan State Park - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service.	Cheyboygan	\$ 465,750
Chippewa	37	107	Brimley State Park - Green Toilet / Shower Building	Replacement of two (2) campground toilet/shower buildings with one (1) ADA, "green", LEED building servicing the associated campsites.	Brimley	\$ 1,518,000
Chippewa	37	107	Tahquamenon Falls State Park - Playground	Playground replacement with a universally accessible structure	Paradise	\$ 253,000
Chippewa	37	107	Tahquamenon Falls State Park - Trail Improvements	Snowmobile trail repairs and renovations	Paradise	\$ 92,000
Clare	35	97	Wilson State Park - Green Toilet / Shower Building	Replacement of two (2) campground toilet/shower buildings with one (1) ADA, "green", LEED building servicing both campground loops.	Harrison	\$ 1,794,000

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

Clare	35	97	Wilson State Park - Sanitary System Improvements	Wilson SP - Replacement of sanitary pump/lift station servicing campground.	Harrison	\$ 448,500
Clinton	33	85, 93	Sleepy Hollow State Park - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service.	Laingsburg	\$ 727,375
Clinton	33	85, 93	Sleepy Hollow State Park - Green Toilet / Shower Building	Replacement of (2) T/S buildings with ADA,"green", LEED structures.	Laingsburg	\$ 2,175,800
Clinton	33	85, 93	Sleepy Hollow State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (25 lane miles)	Laingsburg	\$ 1,375,055
Crawford	36	106	Grayling Field Office - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Grayling	\$ 143,750
Crawford	36	106	Hartwick Pines - Fishing Pier	Fishing pier replacement with accessible route	Grayling	\$ 103,500
Crawford	36	106	Hartwick Pines - Bridge Replacement	Bridge replacement within trail system	Grayling	\$ 86,250
Crawford	36	106	Hartwick Pines State Park- Drinking Water System Improvements	Upgrade campground wells and well house (DEQ requirement) to an above ground system.	Grayling	\$ 287,500
Delta	38	108	Fayette Historic State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed at entrance, campground roads, interpretive areas and parking of 19th century historic iron mill townsite	Garden	\$ 862,500
Delta	38	108	Fayette Historic State Park - Historical Structure Renovations	Historic town site building renovations, replacements and upgrades.	Garden	\$ 2,300,000
Emmet	37	107	Petoskey State Park - Playground	Universally accessible playground replacement	Petoskey	\$ 253,000
Emmet	37	107	Petoskey State Park - Drinking Water System Improvements	Replacement of two (2) below ground water wells and tanks to above ground systems.	Petoskey	\$ 523,250
Emmet	37	107	Wilderness State Park - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service and one pedestal per campsite.	Carp Lake	\$ 1,752,600
Emmet	37	107	Wilderness State Park - Drinking Water System Improvements	Replacement of water system throughout the modern campground (in conjunction with new T/S bldg)	Carp Lake	\$ 462,300
Emmet	37	107	Wilderness State Park - Green Toilet / Shower Building	Removal and replacement of the (2) Campground toilet/shower buildings with ADA, "green", LEED structures and associated below ground utilities.	Carp Lake	\$ 2,769,200
Emmet	37	107	Wilderness State Park - Historical Structure Renovations	Historic Trailside Shelters Repair/Restoration	Carp Lake	\$ 80,000
Emmet	37	107	Wilderness State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (11 lane miles)	Carp Lake	\$ 506,000
Gogebic	38	110	Lake Gogebic State Park - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service.	Marenisco	\$ 629,625
Gogebic	38	110	Lake Gogebic State Park - Campground Registration Building	Replacement of campground contact/registration building (accessible) and vehicular circulation.	Marenisco	\$ 356,500
Grand Traverse	37	104	Interlochen State Park - Campground Electrical System	Campground and day use building electrical system replacement and pedestal upgrades.	Interlochen	\$ 1,897,500
Grand Traverse	37	104	Interlochen State Park - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Interlochen	\$ 86,250

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

Grand Traverse	37	104	Interlochen State Park - Drinking Water System Improvements	Water treatment system	Interlochen	\$ 189,750
Grand Traverse	37	104	Interlochen State Park - Drinking Water System Improvements	Water well replacement at Green Lake Camp	Interlochen	\$ 287,500
Grand Traverse	37	104	Interlochen State Park - Green Toilet / Shower Buildings	Interlochen SP - Removal and replacement of the South Campground toilet/shower building with ADA, "green", LEED structures and associated below ground utilities.	Interlochen	\$ 1,285,700
Grand Traverse	37	104	Interlochen State Park - Sanitary System Improvements	Sewer line replacement in the south campground	Interlochen	\$ 805,000
Grand Traverse	37	104	Traverse City State Park - Playground	Universally accessible playground replacement	Traverse City	\$ 402,500
Grand Traverse	37	104	Traverse City State Park - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service and one pedestal per campsite.	Traverse City	\$ 1,752,600
Grand Traverse	37	104	Traverse City State Park - Green Toilet / Shower Buildings	Traverse City SP - Replacement of two (2) campground toilet/shower buildings with one (1) ADA, "green", LEED building servicing the associated campsites.	Traverse City	\$ 1,794,000
Grand Traverse	37	104	Traverse City State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed within the campground and day use area	Traverse City	\$ 1,150,000
Grand Traverse	37	104	Traverse City State Park - Sanitary System Improvements	Sanitation station upgrade to four lanes	Traverse City	\$ 115,000
Houghton	38	110	McLain State Park - Drinking Water System Improvements	Upgrade campground wells and well house (DEQ requirement) to an above ground system.	Hancock	\$ 287,500
Houghton	38	110	Twin Lakes State Park - Campground Registration Building	Replacement of campground contact/registration building (accessible) and vehicular circulation.	Toivola	\$ 356,500
Houghton	38	110	Twin Lakes State Park - Drinking Water System Improvements	Replacement of below ground water well and tanks to an above ground system (DEQ requirement). Also the replacement of the sanitary lift station.	Toivola	\$ 442,750
Houghton	38	110	Twin Lakes State Park - Green Toilet / Shower Building	Removal and replacement of the Campground toilet/shower building with ADA, "green", LEED structure and associated below ground utilities.	Toivola	\$ 1,186,800
Houghton	38	110	Twin Lakes State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (4 lane miles)	Toivola	\$ 193,200
Huron	31	84	Port Crescent State Park	Replacement of campground contact/registration building (accessible) and vehicular circulation.	Port Austin	\$ 356,500
Huron	31	84	Port Crescent State Park - Access to Recreation	Port Crescent SP - Phase II, Access to Recreation - Provide accessibility to Great Lakes beach, play equipment, hunting & Pinnebog River fishing	Port Austin	\$ 805,000
Huron	31	84	Port Crescent State Park - Drinking Water System Improvements	Campground water lines and spigot replacements	Port Austin	\$ 402,500
Huron	31	84	Port Crescent State Park - Green Toilet / Shower Building	Removal and replacement of the West Campground toilet/shower building with ADA, "green", LEED structure and associated below ground utilities.	Port Austin	\$ 1,285,700

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

Huron	31	84	Port Crescent State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (10 lane miles)	Port Austin	\$ 485,300
Huron	31	84	Sleeper State Park - Playground	Universally accessible playground replacement	Caseville	\$ 253,000
Huron	31	84	Sleeper State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (9 lane miles)	Caseville	\$ 414,000
Huron	31	84	Sleeper State Park - Sanitary System Improvements	Replacement of the East Campground sewage main for improved sanitary service.	Caseville	\$ 101,200
Ionia	33	70, 87	Ionia Recreation Area - Fishing Pier	Fishing pier replacement with accessible route on Sessions Lake	Ionia	\$ 103,500
Ionia	33	70, 87	Ionia Recreation Area - Playground	Replacement of two (2) accessible playground structures (at day use and at campground) as well as an accessible picnic structure at the beach area.	Ionia	\$ 718,750
Ionia	33	70, 87	Ionia Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (17 lane miles)	Ionia	\$ 776,250
Ionia	33	70, 87	Ionia Recreation Area - Drinking Water System Improvements	Replacement of the campground water system.	Ionia	\$ 462,300
Ionia	33	70, 87	Ionia Recreation Area - Sanitary System Improvements	Septic tank replacement and pump system within the modern campground	Ionia	\$ 86,250
Ionia/Livingston	33, 22	70, 87, 47, 66	Geo-thermal HVAC Systems at Brighton Rec Area and Ionia State Park Headquarters	Geo-thermal HVAC system replacement at state park headquarters (2)	Howell & Ionia	\$ 46,000
Iosco	36	103	Tawas Point State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed within the campground and day use area	East Tawas	\$ 1,150,000
Iron	38	110	Bewabic State Park - Campground Electric	Bewabic SP - Finish campground electric upgrade in A loop. B and C loop were upgraded in 2005/06	Crystal Falls	\$ 347,875
Iron	38	110	Bewabic State Park - Green Toilet / Shower Building	Replacement of (2) T/S buildings with one ADA, "green", LEED centrally located structure servicing three campground loops.	Crystal Falls	\$ 1,518,000
Iron	38	110	Bewabic State Park - Historical Structure Renovations	Historic Structures & Stone Fireplaces Repair/Restoration	Crystal Falls	\$ 45,000
Jackson	17, 19	64, 65	Jackson Field Office - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (3 lane miles)	Jackson	\$ 138,000
Jackson	17, 19	64, 65	Waterloo State Park - Fishing Pier	Fishing pier replacement with accessible route on Crooked Lake	Waterloo	\$ 103,500
Jackson	17, 19	64, 65	Waterloo State Park - Fishing Pier	Fishing pier replacement with accessible route adjacent to Discovery Center	Waterloo	\$ 103,500
Jackson	17, 19	64, 65	Waterloo State Park - Campground Electrical System	Electrical service panel replacement at Portage Lake Oak Building	Waterloo	\$ 57,500
Jackson	17, 19	64, 65	Waterloo State Park - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Waterloo	\$ 86,250
Jackson	17, 19	64, 65	Waterloo State Park - Demolition	Camp Waterloo demolition: asbestos abatement, demolition and disposal	Waterloo	\$ 287,500

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

Jackson	17, 19	64, 65	Waterloo State Park - Mill Lake Outdoor Center Renovations	Mill Lake Historic Outdoor Center facility renovation including associated utility upgrades	Waterloo	\$ 4,025,000
Jackson	17, 19	64, 65	Waterloo State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (20 lane miles)	Waterloo	\$ 937,250
Jackson	17, 19	64, 65	Waterloo State Park - Trail Improvements	Trailhead signage and surfacing improvements	Waterloo	\$ 115,000
Kalamazoo	20	60, 61, 63	Fort Custer Recreation Area - Playground	Universally accessible playground replacement located in the campground.	Augusta	\$ 276,000
Kalamazoo	20	60, 61, 63	Fort Custer Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (29 lane miles)	Augusta	\$ 1,322,500
Kalamazoo	20	60, 61, 63	Fort Custer Recreation Area - Campground Electrical System	Campground electrical system replacement to provide 20/30/50 amp service.	Augusta	\$ 1,098,250
Kalamazoo	20	60, 61, 63	Fort Custer Recreation Area - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Augusta	\$ 218,500
Kalamazoo	20	60, 61, 63	Fort Custer Recreation Area - Sanitary System Improvements	Replacement of campground sanitation station.	Augusta	\$ 287,500
Keweenaw	38	110	Fort Wilkins Historic State Park - Bridge Replacement	Replace Lake Fanny Hooe bridge	Copper Harbor	\$ 138,000
Keweenaw	38	110	Fort Wilkins Historic State Park - Green Toilet / Shower Building	Removal and replacement of the Campground toilet/shower building with ADA, "green", LEED structure and associated below ground utilities.	Copper Harbor	\$ 1,186,800
Keweenaw	38	110	Fort Wilkins Historic State Park - Historical Structure Renovations	Historic fort structures renovations, replacements and upgrades.	Copper Harbor	\$ 230,000
Keweenaw	38	110	Fort Wilkins State Park - Bridge Replacement	Ft. Wilkins SP - Replace Kamikazee Trail bridge	Copper Harbor	\$ 149,500
Lapeer	25	82	Metamora Hadley Recreation Area - Bridge Replacement	Safety replacement of a foot bridge on the hiking trail system.	Metamora	\$ 86,250
Lapeer	25	82	Metamora Hadley Recreation Area - Playground	Universally accessible playground replacement	Metamora	\$ 253,000
Lapeer	25	82	Metamora Hadley Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (10 lane miles)	Metamora	\$ 550,275
Lapeer	25	82	Metamora Hadley Recreation Area - Drinking Water System Improvements	Water system replacements in both the North & South campgrounds (1966)	Metamora	\$ 419,750
Leelanau	35	101	Leelanau State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed within the campground	Northport	\$ 575,000
Leelanau	35	101	Leelanau State Park - Drinking Water System Improvements	Water treatment system	Northport	\$ 189,750
Leelanau	35	101	Leelanau State Park - Green Toilet / Shower Building	A new Campground toilet/shower building that is ADA compliant, "green", LEED structure and associated below ground utilities.	Northport	\$ 1,285,700
Lenawee	16	57, 65	Hayes State Park - Playground	Universally accessible playground replacement	Onsted	\$ 253,000
Lenawee	16	57, 65	Hayes State Park - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (15 lane miles)	Onsted	\$ 690,000
Lenawee	16	57, 65	Hayes State Park - Campground Registration Building	Replacement of campground contact/registration building (accessible) and vehicular circulation.	Onsted	\$ 356,500

MICHIGAN STATE PARKS INFRASTRUCTURE NEEDS

Lenawee	16	57, 65	Hayes State Park - Drinking Water System Improvements	Replacement of the campground water system.	Onsted	\$ 419,750
Lenawee	16	57, 65	Lake Hudson Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (13 lane miles)	Clayton	\$ 575,000
Lenawee	16	57, 65	Lake Hudson Recreation Area - Dam Repairs	Lake Hudson RA - Structural repair of the Lake Hudson dam spillway barrier per DEQ requirements.	Clayton	\$ 345,000
Livingston	22	47, 66	Brighton Recreation Area - Playground	Universally accessible playground replacement	Howell	\$ 253,000
Livingston	22	47, 66	Brighton Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed (14 lane miles)	Howell	\$ 632,500
Livingston	22	47, 66	Brighton Recreation Area - Access to Recreation	Brighton RA - Phase II, Access to Recreation - Provide accessible Bishop Lake water crossing and trail completion, and remote cabin	Howell	\$ 805,000
Livingston	22	47, 66	Brighton Recreation Area - Campground Electrical System	Upgrade campground electrical service to 50 amp	Howell	\$ 460,000
Livingston	22	47, 66	Brighton Recreation Area - Sanitary System Improvements	Replacement of septic tanks servicing the modern campground	Howell	\$ 57,500
Livingston	22	47, 66	Island Lake Recreation Area - Playground	Universally accessible playground replacement	Brighton	\$ 253,000
Livingston	22	47, 66	Island Lake Recreation Area - Road Improvements	Resurfacing, chip seal, reconstruction & new paving as needed at the shooting range parking area	Brighton	\$ 86,250
Livingston	22	47, 66	Island Lake Recreation Area - Cold Storage Building	Cold storage building to provide an adequate facility for housing of operational and maintenance equipment.	Brighton	\$ 86,250
Livingston	22	47, 66	Lakelands Linear Trail State Park - Bridge Replacements	Install 3 pedestrian bridge structures on the Lakelands Trail State Park in Lyon Township. 1. Pontiac Trail 2. Grand River Ave. 3. Milford Road,	Pinckney	\$ 3,450,000
